Loeffler FARMS

Growing
food for the World

About Us...

Stewards of the Land

At Loeffler Farms it is not only about running a successful operation but also about taking care of the land and supporting the community that supports us.

A Family Tradition

This farm was started in the early 1900's by Alfred Loeffler. After Alfred his son Donald managed the farm for many years and now Don's son Brian, his wife Molly and grandson Collin manage and run the operations of the family farm.

What We Do

Our main focus is the production of corn and soybeans using top of the line equipment to do everything in as timely of manner as possible. We also have a trucking business that aids in the removal of grain in the fall but also hauls local grain commodities in the off seasons.

Meet The Bands – Lee Haw

LEE HAW BAND

FRIDAY, AUG. 16 ► 5PM - 7PM

Lee Haw played its first gig at the Heart of Illinois Fair in 2013. Since then, they have played all over Central Illinois, bringing a mix of new and classic country, rock, southern rock, and some classic oldies that get folks on their feet and dancing.

They play anything from Johnny Cash to Chris Stapleton, Lynyrd Skynyrd to Elvis, Willie Nelson to Jimmy Buffett, and much more.

"One of the many things I love about this band is someone can ask us to play a song, even though we've never rehearsed it, my bandmates step up and make it sound like we've played it together for years," said Lee Hall.

NEXT THING SMOKIN'

Next Thing Smokin' is bringing you back to a time not long ago when the dance hall floors were packed, and boots were scootin'! This "smokin'" hot new band is bringing back everyone's favorite country hits from the 80's, 90's, early 2000's, and even some treasures from the "way back machine" of country roots. Hits from artist such as: Joe Diffie, Garth Brooks, Brooks & Dunn, Dierks Bentley, Tracy Byrd, Jo Dee Messina, Miranda Lambert, Martina McBride, and many more.

Meet the Grand Marshals

Bernie & Randi Knoll

About Us

Bernie and Randi Knoll are long-time residents of Danvers. They grew up around Pekin/Marquette Heights and graduated from Pekin High School. Bernie and Randi were high school sweethearts. They were married in 1968 and moved to Danvers in 1975. They are parents to three children, Brian, Heather, and Thom (deceased.) They have four grandchildren and four great-grandchildren.

Bernie completed a four-year apprenticeship for the International Typographical Union at Peoria Journal Star. After that, he worked for C&H Printing in Peoria. In 1986 they moved their family of five to Gulf Breeze, Florida where Bernie and Randi became part owners of Dolphin Printing and Graphics. In 1989, Bernie and Randi returned to Illinois. Bernie worked for a few years at Bloomington Offset as an estimator. Randi worked several jobs including, Herget Bank (Pekin), First Security Bank (Mackinaw), Danvers Packing, Dr. Patel & Saksena's Office, CPG Printing, and Naturally Yours Grocery (Normal). Since 1997, Bernie and Randi have owned Engraving Express which is now located in Danvers, and has served many local schools and businesses with recognition and awards.

Randi served as a Brownie Leader and member of the Danvers Junior Women's Club and the Danvers Garden Club. Bernie has been a Danvers Lions Club member for 45 years and has served as both President and Financial Secretary. They are both members of the Danvers First Presbyterian Church where they have each served on session. Randi has taught Sunday School, helped with VBS, participated in choir and the community garden, helped start Food With Friends, and has been a part of the Wednesday Women's Fellowship. Bernie and Randi published the Danvers Connection Newsletter from 2008-2010. They both currently serve on the Ryhmer Nature Preserve Board.

Bernie and Randi are honored and humbled to be this year's Grand Marshals. They are happy to call Danvers their home!
